Eminent Domain Suits Filed For Beach Road Easements

Eminent domain proceedings have been filed by the county board of supervisors against 11 beach front property owners in order to obtain right-of-way for proposed beach road repair in Bay St. Louis, board attorney Joseph Benvenuti reported Monday.

Benvenuti said three others will require public advertising as addresses are unknown, bringing the total of property owners not signing rights-of-way to 14.

Beach road repair has been delayed allegedly because of certain property owners' refusal to sign easement rights on water lots, where the seawall is some distance from the road bed. Engineers performing the road work will have to fill and grade the land between the road and seawall to provide reinforcement for the roadbed. The area of most controversy is between Ulman Ave. and St. Charles St. where cave-ins

under the road threaten pedestrian and vehicular traffic as well as homes bordering the beach.

Dissenting property owners object to certain terms of right-of-way forms proffered by the county, which they feel will jeopardize their rights of ownership.

Benvenuti asked the board

to appoint someone to accompany him in a final attempt to secure the remaining signatures, as he expressed a desire to retain amicable relationships with property owners in question.

Eminent domain hearings will be held Monday for Christ Episcopal Church and Mrs. Margie Woods; on October 6 for

Carmelite and M. Sportorno, and Ione and Veronica Manieri; on October 8 for Anthony Benigno.

Others for whom dates have not been set include Cecelia Alden, Frank Bertucci, Mrs. X Jack Hildbrand, Ed Patterson, John W. Dailey, Morris Doize, Jr., Le Terre, Inc., L & N Railroad, Dr. Jack A. Reynolds.

Supervisors also authorized Port and Harbor director Charles Hill to award a contract to Universal Tanks and Iron Works of Indianapolis for the purchase and construction of an elevated water storage tank at the Port and Harbor. Universal was low bidder with \$76,320.

A motion by Charles Russa was passed to set aside \$10,000 a month from the county-wide seawall account to be put into the Port and Harbor sinking fund to defray an anticipated deficit in that account.

Board Reviews Applications For County Administrator

County supervisors will meet this week to review applications for the position of county administrator, under the recently adopted county unit system.

According to board president Russell Elliott, about five applications have been received to date for the position which will pay \$18,000 a year under the resolution terms. The resolution also called for the position to be filled by October 1, but at a recent meeting, supervisors agreed that the unit system as adopted will require more concise planning and revision before any definite action is taken toward hiring an administrator.

In other action the board amended a resolution to levy

one mill for the General Fund, according to the state tax division, to supplement operating revenue to the tax collector and sheriff's offices.

County tax assessor George Heitzmann submitted a budget of \$87,853 for the coming fiscal year and requested an amendment to the tax assessor's budget to cover additional revenue needed when his department will be expanded to include tax collections. A vote was postponed until incoming sheriff Sylvan Ladner has submitted his budget.

Heitzmann asked supervisors to contact President White of Pearl River Junior College for help in the tax assessor's office to implement his staff during tax collection period. According to Heitzmann assistance had been received in the past through President White but he (Heitzmann) had been told there would probably be none this year.

Without student help, he said, it will be necessary to appeal to the board for financial aid in January. Supervisors concurred with Heitzmann's request for a letter.

A resolution from the Port and Harbor Commission was approved to transfer 9.9 acres of land to the Mississippi Department of Archives, for the establishment of a museum of Indian relics and artifacts found at the site.

Council Adopts Budget; Sets Millage Total

The Bay St. Louis Commission Council adopted the city's budget Wednesday and set the millage rate for the coming fiscal year. The millage rate will remain at a total of 54 mills and will be broken down into the following: General Fund - 15; Parks and Playgrounds - 1/2; Library - 1/2; Municipal Bonds - 1/2; School Bonds - 1/2; School District Maintenance - 25; and Street Improvement Program - 4.

The budget will be published in next week's Echo.

Campaign Begins For United Fund

"People helping people" is the way what it's all about" is the way guest speaker Frank Wheat explained the United Fund at a kickoff banquet Monday night in Waveland.

James R. Shadoin, Hancock County United Fund president, hosted the affair which brought together area fund chairmen for 1971 as well as about 60 community leaders and campaign workers.

Shadoin introduced Joseph W. Gex, Bay St. Louis attorney and general chairman, who described the 12 agencies supported by United Fund.

All but one, the United Services Organization (USO) operate within the county directly benefiting the people of this community, he said.

The local organization to receive the greatest contribution from United Fund is the American Red Cross. Others listed include Catholic Social Services, Hancock Emergency Relief Fund, Boy Scouts, Girl Scouts, Hancock Area for Retarded Children, Coastal Mental Health

Program, Gulf Coast Family Counseling Agency, County Blood Bank, Camp Onward, USO (Worldwide) and Traveler's Aid Association.

United Fund goal for 1971 is \$24,000, slightly more than the total population figure for Hancock County and Gex said it is always the hope of Fund campaign workers to exceed the goal, as has been the rule in past years.

Area chairmen for the county are Mrs. Fred Wagner, special gifts, Edward Thompson, Waveland, Robert Boudin, Bay St. Louis, Waldo Dearing, Mass. Test Facility.

Individual donors may specify a particular agency to receive their full contribution or it may be pro-rated among the 12 organizations.

Following dinner, a film was shown illustrating United Fund benefits country-wide as well as throughout the world.

At the conclusion of the film Gex announced that the Board of Supervisors had contributed \$1,000 to the Fund to "start things rolling."

Supervisors also authorized Port and Harbor director Charles Hill to award a contract to Universal Tanks and Iron Works of Indianapolis for the purchase and construction of an elevated water storage tank at the Port and Harbor. Universal was low bidder with \$76,320.

A motion by Charles Russa was passed to set aside \$10,000 a month from the county-wide seawall account to be put into the Port and Harbor sinking fund to defray an anticipated deficit in that account.

Money Stolen From Local Grocery Store

About \$1,600 in cash was stolen from a safe in Pitalo's Grocery in Bay St. Louis Friday, according to local police.

Bay Police chief Robert Goodsell stated that the robbery was accomplished in a professional manner and was obviously well planned, as entry to the building was gained through the roof over the back portion of the building.

Burglars broke into a section of roof and dropped into a back room, which contained the two safes.

An attempt was made to open both safes by breaking the locks. Goodsell said an automobile valve covered by soap was used to hammer the lock loose on one safe, which contained the cash and a number of checks. All checks were recovered from beneath the safe. No attempt was made to steal any merchandise from the front of the store which is protected by a burglar alarm system. Burglar tools were left by the thieves who apparently left by a back door.

City patrolmen Larry Ladner, Harris Boudreaux and Walter Dorsey answered the call at 8:30 a.m., as well as Goodsell. Sheriff's deputies Robert Tardaville and Emile Piazza also assisted city police in the investigation.

Bay Residents Urged To Clean Heaters

Bay St. Louis fire chief Edgar Ladner has issued a warning to residents of the city, asking that they clean their heaters before cold weather starts.

"Most fires in the home occur during the winter," Ladner said, "and this is usually caused by heaters that have been turned on but are filled with lint and dust that accumulate during the warm seasons."

Fire Prevention Week begins October 3 and lasts through October 9. "During Fire Prevention Week, the fire department would appreciate if it parents would teach their children fire safety in the home."

Bank Will Foreclose on D.D.I.

Foreclosure proceedings have been brought by the Hancock Bank against Design Developers, Inc. on a \$75,000 delinquent loan.

The suit also names the Port and Harbor Commission, and the Hancock board of supervisors as second mortgage holders on the modular home construction company.

DDI established operations at the P & H site about 18 months ago to build low-cost modular homes and commercial buildings. Plant production has allegedly not been sufficient to maintain retirement of the bank loan.

Charles Hill, Port and Harbor director, informed the board of supervisors Monday that the Port and Harbor Commission would not purchase first mortgage interest in DDI.

Board Borrows \$6,000 To Buy Band Uniforms

Eric Larsen, member of the Hancock County School board, asked the board of supervisors at a meeting Monday for approval of a Hancock Bank loan to purchase 60 uniforms for the Hancock North Central School band.

Larsen said the uniforms cost \$100 each and that a loan in the amount of \$6,000 for the purchase had been approved by the bank. Supervisors unanimously agreed to accept the loan which could be repaid out of the operating fund for the school board.

At an earlier meeting, a request from North Central High Terry Randolph for \$1,000 new athletic equipment for the school was refused by the board, on the premise that the board did not have that amount of money. Randolph said he had appealed to the school board for the funds, and was refused.

Statue Stolen

A statue weighing approximately 500 pounds has been stolen from the yard of a residence on South Beach Blvd. in Bay St. Louis.

The owners of the statue, Mr. and Mrs. Stephen Hartel, said that the three-foot high statue was stolen last week and the thieves left only the marble pedestal. Mrs. Hartel is particularly saddened by the loss of the statue because it was sculpted by Claudine McKay, well-known New Orleans artist and sculptress. The statue, Madonna and Child, is one of a kind and there is no replacement for the art object, made of concrete and marble chips, which survived two hurricanes.

The Hartels live in New Orleans and are rebuilding their home in Bay St. Louis.

ASSOCIATION MEETING

A membership meeting of the Hancock Association for Retarded Children will be held Tuesday at 8 p.m. in the Clermont-Lakeshore Youth Center, according to Mrs. William Lamb, president.

The meeting is open to the public and Mrs. Lamb urges all citizens interested in the progress and development of educational advantages for the children to attend. For those not familiar with location of the Youth Center, one can drive down the Beach Road, past Jackson Ridge and turn at the road next to the blue and white trailer. The Youth Center is about three blocks up the street.

PRESIDENT NAMED

Pam Smith was elected president of St. Rose de Lima Catholic Youth Organization for the coming year.

Others named to office were Pam-Labot, vice president; Yolande Bradley, secretary and Fabian Collins, treasurer.

The group will meet at 7 p.m., October 4, at St. Rose School. A CYO banquet has been scheduled for October 16 at Hundred Men Hall.

STATUE STOLEN from the residence of Mr. and Mrs. Stephen Hartel last week.

City Echoes

Mr. and Mrs. Carl J. Heitzman spent the weekend at the Longfellow House, Pascagoula. Their son Scott Joseph spent the weekend with his grandmother Mrs. Velma Heitzmann.

Mr. and Mrs. T. F. Monti were Saturday guests of their son and daughter-in-law Mr. and Mrs. T. A. Monti and family in Lacombe, La.

Osmond Blaise was admitted to Ochsner Foundation Hospital, New Orleans, Sunday, he will undergo surgery Friday.

Misses Joy Monti, Julie Eschett and Anna Margaret Boudreaux of Metairie, enroute from a vacation in South Carolina, Ohio and Kentucky, spent the weekend with Miss Monti's mother and aunt, Mrs. Leonie Monti and Miss Rosemary Blaise.

Misses Sara and Agnes Horne of New Orleans entertained with a buffet luncheon Sunday for their brother Dr. M. D. Horne Sr. at the Horne home on Sycamore Street on the occasion of his birthday.

An arrangement of lily of the valley and a Dobash cake decorated the table. Out of town guests were Mrs. Isabel Bouny and D. R. E. M. Socola of New Orleans, and Dr. and Mrs. Horne's children Mr. and Mrs. M. D. Horne Jr. of New Orleans, Mr. and Mrs. Michael Horne, Waveland, and Sister Danielle, New Roads, La.

Mrs. J. H. Bonck, the former Jeanne Arceneaux, of New Orleans, who received a back injury during her vacation in North Carolina, is able to be back at her studies at LSU-N.O.

Mrs. Henry Lang and Mrs. Evelyn Favre spent the weekend in Mobile where they

Agencies Prepare For Campaign

Federal agencies in Harrison, Hancock, Jackson and South Pearl River counties are preparing for the 1972 Combined Federal Campaign to raise \$180,000. A "kick-off" meeting is scheduled for 9:30 a.m., September 23, at the Keeler Officers Club.

Captain William M. Zobel, Gulfport Seabee Center commanding officer, is general chairman of the fund raising committee. Seven vice chairmen, will represent their various agencies. They are: Commander William J. Biffar, Seabee Center; Colonel William Cook Jr., Keeler Technical

Training Center; Harry Price, Agriculture Department; Cecil Dubuisson, Postal Department; John McKelvin, Veterans Administration; Carl Stephens, General Department, and Jackson M. Balch, Mississippi Test Facility.

Harold J. Levron, industrial relations officer at the Seabee Center, was named to assist Captain Zobel to coordinate the fund drive with the participating federal agencies.

The 1972 Combined Federal Campaign is sponsored by the Mississippi Coast Association of Federal Administrators. It offers federal employees and military personnel in the four coastal counties the opportunity to "Give Once - For All" in its annual campaign during October. Project officers and key workers will stress donating through payroll deductions.

It is the only on-the-job solicitation for health and welfare agencies of the United Fund, National Health Agencies, and the International Service Agencies.

AUXILIARY MEETING

Women's Auxiliary, Veterans World War I, met last Thursday at the American Legion Home with nine members attending. Mrs. Leola Harvey, first vice president, presided in the absence of the president, Mrs. Pauline Charming.

Following the business session a luncheon was served with veterans as guests.

The next meeting is scheduled for 3 p.m. Thursday, October 28, at the American Legion Home, Green Meadow Road.

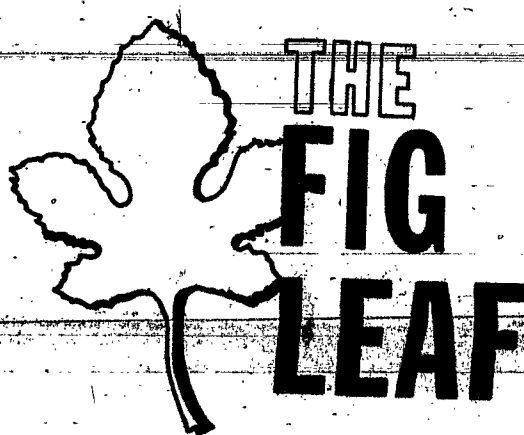

MONTHLY COMMUNION Sodality of Our Lady of St. Clare's Parish, Waveland, will have their monthly communion at the 9 a.m. Mass Sunday, October 3, in St. Clare's Church.

MRS. NELIUS C. (MAT) RHODES ANNOUNCES FOR BEAT 5 JUSTICE OF THE PEACE, POST 2

Mrs. Nelius C. (Mat) Rhodes, 354 Main Street, Bay St. Louis, Mississippi, has announced her candidacy for Beat 5 Justice of the Peace, Post 2, subject to the General Election to be held on November 2nd with the following statement:

I solicit your vote and support for my candidacy for Beat 5 Justice of the Peace, Post 2 on November 2nd.

During the past twenty years, I have assisted my husband, Judge W. C. Rhodes, who did not offer for re-election as Justice of the Peace, with keeping his civil and criminal dockets, book work, and monthly reports to the Board of Supervisors.

Our home is conveniently located to the public, on Main Street and the front portion has been used as a Court room and J.P. Office for many years. Throughout these twenty years, I have become familiar with the procedures of the Justice of the Peace Court and I feel that I am qualified to serve in this capacity.

I am a life long resident of Hancock County with 12 years bookkeeping experience with the Hancock County Welfare Department from which I am now retired and I am in a position to devote full time to the job and make myself available to the public when needed.

As the Physical Education Director at St. Joseph's Academy for four years, I learned to work with our young people and understand their problems. In addition, I have raised a family of two boys, Nelius Jr., and Joseph "Doc", and one girl, Gay Lousich.

I feel the people are entitled to a choice for this important position as most people did not feel the Board of Supervisors would continue this Post in view of re-districting and did not qualify in the primary. I hope your choice will be Mrs. Nelius C. (Mat) Rhodes.

Respectfully submitted,

M. Rhodes

Letters to the editor

Editor, Sea Coast Echo:

In a previous edition of Sea Coast Echo a list of delinquent taxes was printed as matter of record. I have no doubt of the delinquency of the property tax as per owner. I question the method of correspondence to the property owner. Virtually there is none. When said owner lives locally it may be feasible for him to come into the courthouse to inquire and pay his taxes. On the other hand, he has no alternative, say that he wanted to mail in the correct amount even though the court house is only a stones' throw away. I must say this is or could be a hardship upon the property owner. I am certain that a taxpayer wouldn't mind the cost of a stamp, envelope and effort it takes to post payment, if he or she desires. Why a visit to the courthouse? Why couldn't it be his or her prerogative?

Perhaps the county is in need of modern equipment and modest facilities not only to correspond with the taxpayer but to update county and city

records. The cost of a new system may be of a surprise to city government and the taxpayer, as we may be paying the cost now with little or no benefits. I cite one fact of public record that concerns me and probably many more transient citizens of Bay St. Louis who still have or want a stake in this coast. I for one acquired property here, and recorded as legal owner. The effort by way of proxy in obtaining the tax remittance showed that the previous owners' name have not been changed and also officially recorded as delinquent as printed in the Sea Coast Echo, under the previous owner.

I ask City-County Government, why not mailed notices of taxes before they become delinquent. We pay the cost of advertisements, fees and other penalties, why couldn't we pay the cost of a non-delinquency?

MONEY MUST BE tight when the Bay St. Louis chief of police and patrolmen have to paint street markers and erect traffic signs throughout the city, as Chief Goodsell, Right, and Earl Bandaret, center, are doing. Goodsell had just relieved Phil. Bourgeois who had to respond to a call. Now that Mayor Carver has found the money to hire an assistant to the mayor perhaps he will find a few extra dollars to relieve police of such tasks unrelated to law enforcement.

Local Government In Action

(ED. NOTE: This is the fourth in a series of articles by Echo staff writer Adoree Shortle, explaining the various departments within the three local governments—Bay St. Louis, Waveland and Hancock County.)

WAVELAND POLICE DEPARTMENT

Fred Bourgeois has been City Marshal of Waveland for 21 consecutive years and says he can "go another 21."

His job as law enforcement chief for the 3,000 population municipality also carries with it the responsibility of tax collector. For the first 13 years as marshal, Bourgeois worked alone except for the three summer months when he had a deputy to assist him.

As the town has grown in population and area, Bourgeois has seen a need to expand the

law enforcement facilities proportionately.

ORGANIZATION

Today, Bourgeois has three regular deputies who work on an around the clock schedule, supplemented by 12 auxiliary deputies. As is the case with most police departments here, Bourgeois is on call 24 hours a day, seven days a week.

Regular deputies work a minimum of an eight-hour shift, six days a week, but according to the marshal, their hours usually run to a much higher figure. If something happens as a man is going off a shift, he will stay on to support the relief deputy as long as he's needed.

PERSONNEL

Regular deputies are also on 24-hour call. The three regulars are Donald Dorn, Don McIntyre and Eugene Hughes. The roster of 12 auxiliaries includes Van Allain, Ken Fayard (also Waveland Volunteer Fire Chief), Felton Cuevas, Richard Fayard, A.D. Dorn, Jr., John Perkins, R.D. Russell, Cliff Vogt, Walter Turcotte, Pete Noto, Ronnie Ferrell and Huston Dickerson.

PAY SCALE

Bourgeois receives a salary of \$425 a month, and the regulars receive \$375, \$325 and \$275, according to seniority. Auxiliary deputies are paid \$30 a month to work a minimum of 32 hours, but they, too, usually average many more hours although they do not receive extra pay.

Because they are on a part-time basis and all have full time day jobs, auxiliaries generally work at night, averaging two nights a week each. This schedule provides a regular and an auxiliary on duty every night besides the marshal. Regulars work their shifts so that each

overlaps the other by an hour or two.

EQUIPMENT

Waveland police department has three fully-equipped patrol cars, one with a cage. Several of the auxiliary men have radios and lights, giving the department additional vehicles for patrol.

At this time police calls during working hours are received in City Hall and calls at night have to be made to Fred Bourgeois' home, or to the fire department night phone, which often ties up the fire phone.

COMMUNICATIONS CENTER

Another expansion innovation is expected in late October with the acquisition of a police communications center, to be installed in the marshal's office in City Hall. Communications equipment is being purchased by the city through assistance from the state Law Enforcement Association which will then receive emergency police calls on a 24-hour basis.

The radio will be on a complete law enforcement network with three county sheriffs' offices, highway patrol, civil defense and all other police departments.

The City of Waveland will then have a potential for complete law enforcement protection for its citizens, and deputies to work in even closer cooperation with the sheriff's department.

The city supplies both regular and auxiliary patrolmen with all uniform requirements, except guns and belts. When a man joins the force he is given his badge, patches, shirt, trousers, insignia and cap. He buys his own gun and belt and any extra uniform clothes he may want.

Teen Times

Friday, October 2, the Youth Center is going to interview a band from New Orleans, La. The name of the band is "Tomorrow's People." The group went to St. Stanislaus last year.

Monday night at the Explorer meeting, a second vice-president was elected. He is David Johns. Also two new members joined Monday night. They are Hunter Daniels and David Ray. Welcome to the Explorers, boys.

The Explorers are also going to the Tulane game this Saturday. Those going are Buck Bushler, leader, Mike Richardson, Hector Gonzales, David Treles, Ralph Harris, and Randy Kramky.

PHENOMENAL

Had habits defy the law of gravity—they're so much easier to pick up than to drop.

We've Observed

The bright new face Bay St. Louis now presents to passing tourists on Highway 90.

The hundreds of paper cups and straws tossed from car windows. Won't the patrons of our local "hamburger havens" ride the ton ten feet to one of our numerous litter barrels and USE IT.

The good job being done by the City grass cutting crews in keeping dangerous intersection right-of-ways cut and cleared. That there are still local landlords in Bay St. Louis who will not maintain their properties. We wonder if the above realize what the view is from across the street.

How attractive the fall plantings are around town. That the northern part of the county is becoming a giant dumping ground. What happened to the authorized dump promised by the Board of Supervisors for April (1971) to relieve this pressing problem of the citizens in the county.

Once again since the beginning of school the unthinking school children who toss the remains of their after-school snack along the roadside as they walk home. We wish they would think and use the litter barrels placed there specifically for their use. That young people have been appointed to the Parks and Playgrounds Commission.

How attractive the Larroux playground on Dunbar is now that it has been completed.

How many families are planting vegetable gardens. Helps fight inflation, provides exercise of body and soul and also adds oxygen to the air to help fight pollution.

The four way stop at Touline and Main. This should help alleviate the traffic tie-up at 2nd and Main.

The lack of strain on the faces of Mothers of school age children since school started. Wonder why?

Fire Prevention Week Observance Planned

Fire prevention is everybody's business, according to George Cleary, Chairman of Fire Prevention Week.

"That's an old cliché," Cleary said, "but I can't think of a better or more accurate slogan."

Plans are being formed up for a community wide observance of Fire Prevention Week, October 3 through 9. An initial meeting held September 22 at Coast Electric building brought together area-wide school principals and fire chiefs to coordinate plans for a Miss Flame contest as well as a program of fire drills in schools.

Cleary and Ed Cameron, chief of the Pearl River Volunteer Fire Department, explained at the meeting that a state law requires school fire drills on a once a month basis. A check of local school records revealed that the last fire drill held in Bay area schools was more than 10 years ago.

The committee also requested fire chiefs make an inspection tour of each school in their areas to check on the availability of fire prevention material and methods.

Cleary stated that a program of community fire prevention awareness will greatly aid Hancock County in achieving a higher state insurance rating.

"Our ultimate goal," Cleary said, "is to organize a Junior Fire Patrol in every school, composed of students who will supplement fire prevention education in the schools, as well as coordinate regularly scheduled fire drills."

Citizens Involvement Committee Formed

The Bay St. Louis Commission Council reports they are soliciting help from several segments of the community in drafting plans for building and residential improvements under HUD programs.

It was stressed at a meeting in Atlanta recently that an effort is being made to give all citizens a voice in policies which affect their welfare.

To further this objective, an 18-member Citizens Involvement Committee has been formed by the council. The committee will serve in order of further open lines of communication between the man in the street and City Hall.

The council hopes that by doing this, it will eliminate the frustration of letters to the editor, to Congressmen etc., and create a sustaining mutual trust between city government and its citizens.

Homecoming

Junior College Homecoming Activities have been set for Saturday, October 16, 1971. The annual homecoming parade through the Poplarville business district will begin at 3:00 p.m. All interested groups, organizations, firms, and individuals who would like to participate in the parade should contact Registrar Al Brooks, 785-4538 or Larry Stanford, Director of Public Relations, 785-4464.

All alumni and friends of Pearl River Junior College are extended a most cordial welcome to come visit our campus and attend our activities. Coffee in Marion Hall will be from 4:00 p.m. to 6:00 p.m.

The Homecoming Banquet will be in the newly renovated college cafeteria at 6:30 p.m. Presentation of the Homecoming Court and Crowning of the Queen will begin at 7:45 p.m. with the Wildcats battling the Co-Lin Wolves at 8:00 p.m.

POLICE REPORTS

Three persons were injured in two automobile accidents this weekend at the intersection of Highway 90 and Highway 607.

Sunday at 3 p.m. an automobile driven by Mrs. Thelma Price of New Orleans went out of control and left the road. Sheriff's Deputy Fairley Nacaise reported that Taynia Price, one of four children riding in the car, was injured and taken to Hancock General Hospital.

A flatbed truck owned by Western Waterproof Co. overturned Monday at 7:40 a.m. at the same intersection, injuring both the driver, F.W. Mainhard and a passenger, Frank Washington. Deputy Robert Tartavouille took both men to Hancock Hospital for emergency treatment.

The sheriff's department is investigating a theft reported at the Hancock Tractor and Implement Co. on Highway 43 Monday morning. The store's owner discovered the building had been broken into sometime in the night, and chain saws, tires and tools had been stolen.

State Director Praises Bay Civil Defense

Kenneth Causey, state civil defense director, made an official inspection last week of the Bay St. Louis Civil Defense facilities and presented the first state Civil Defense network radio to J. R. Layole, Bay C.D. Director.

This network (radio) is the official state civil defense network, open only to C.D. organizations and used in times of emergency. The channel is open directly to state headquarters and is in contact 24 hours a day with Prunty Baughman, state deputy director as well. Therefore, in the event of a total communications failure, the city will still be in contact with state officials.

Causey commended Layole on the efficiency of his agency and the up-to-date records of the civil defense materials, pointing out the 99.9 rating of excellence recently given the Bay Civil Defense by a state rating

Boundaries Separate Fresh and Salt Waters

The Mississippi Game and Fish Commission and the Mississippi Marine Conservation Commission recently worked out jurisdictional boundaries separating salt and fresh waters in the Gulf Coast area.

U.S. Highway 90, extending from the Alabama line through Mississippi to the Louisiana line, has been designated as the general boundary line.

There are six exceptions to the highway boundary, for instance, the line on Highway 90 bridges will fall 100 feet to the north. Another exception is Bay St. Louis, where fresh water officially begins at or near the mouths of several bays and streams entering the Bay.

Bayou Graveline is considered salt water from its mouth at Mississippi Sound northward to the mouth of Lake Graveline which is considered

fresh water. At Back Bay Biloxi, the boundary is 1/2 mile west of the Ferry Bridge and at or near the mouths of various bays and streams entering the bay north of U.S. 90 bridge. Certain waters south of U.S. 90 and west of St. Louis Bay are also exceptions.

Also south of U.S. 90, waters between West Pascagoula River and the mouth of Biloxi River are effected, as are certain waters east of East Pascagoula River.

The Mississippi Marine Conservation Commission will have jurisdiction over waters south of the boundaries, while the Mississippi Game and Fish Commission is responsible for all waters to the north of it.

The boundaries were set in accordance with Section 605b, Mississippi Code 1942 enacted by the Legislature at the 1971 regular session.

Where Does United Fund Money Go?

The Coastal Mental Health Program

The Coastal Mental Health Program is a public community mental health clinic, which is one of the agencies supported by the Hancock County United Fund. It provides psychiatric services for both adults and children through the operation of a one-day-a-week clinic in Bay St. Louis.

The clinic is open every Friday, and appointments can be arranged by calling 467-6499. Appointments may also be arranged on days other than Friday through contacting the Gulfport clinic at 863-1132. Any resident of Hancock County is eligible for services regardless of income. The yearly median income of clients who have received services has been \$2,300. The Bay St. Louis clinic is housed in St. Joseph's Hall on St. Augustine's Campus.

Each of the four counties served by the Coastal Mental Health Clinic has appointed a mental health commissioner, and the commissioner for Hancock County is Dr. M.L. Dodson. The mental health coordinator, who serves as a liaison between the commissioner and the clinic, is Mr. Ray Cox. Mr. Cox is also the staff psychologist for the Hancock County Services.

Mrs. Virginia Wheat, psychiatric social worker, also serves as a staff member in the Bay St. Louis Clinic. In addition to financial support from the Hancock County United Fund, the Coastal Mental Health Program receives financial support from a federal grant, as well as a half mill tax support which has been levied by the Hancock County Board of Supervisors.

Although psychiatric services are offered to both adults and children, the majority of requests for services have been related to adult problems. These problems have ranged from complex adjustment problems requiring short term psychotherapy, breakdowns in family functioning requiring family therapy, to adults needing referral to and treatment in state mental hospitals. Personality disorders receiving treatment have included adjustment reactions to stress, psychoneurotic disorders, as well as psychotic states. In most instances psychotherapy has been of short duration, lasting from six to ten sessions lasting 45 minutes.

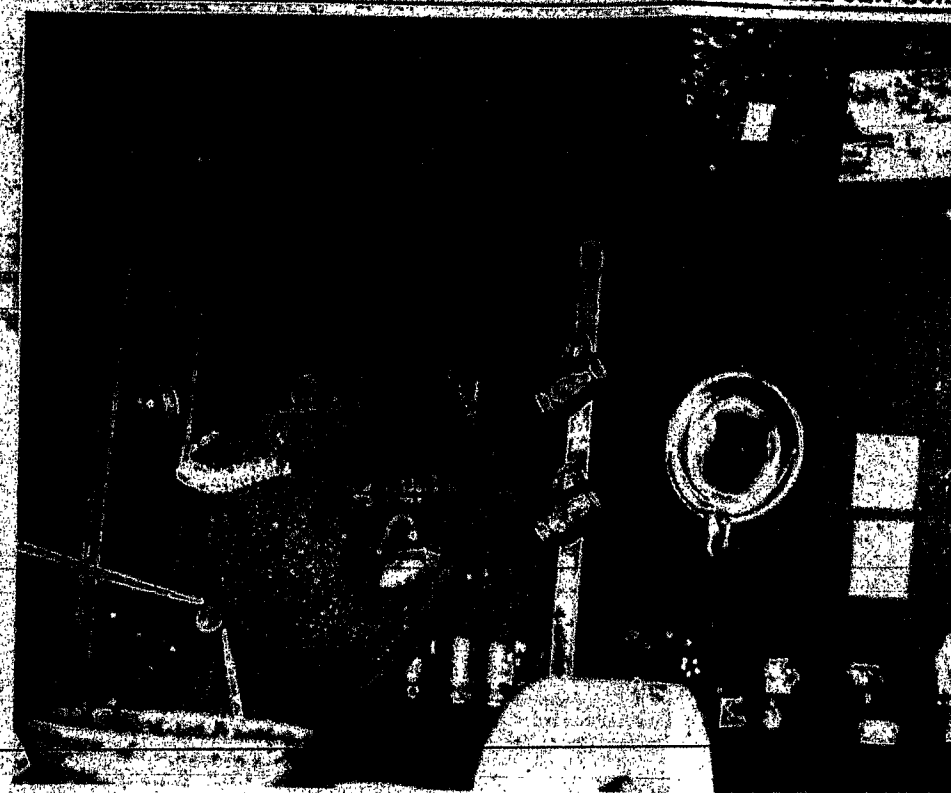

Approximately a fourth of all calls to the Community Mental

Health Center are related to children's problems. Referred are children who may be experiencing learning difficulties in school, have poor adjustment skills which result in an inability to get along with peers, be overly shy or inhibited, or possibly an overactive or overly aggressive child. Also included are many of the problems encountered in work with adolescents, and all of the stresses that one encounters as one attempts to become independent.

During the initial telephone contact with the clinic an intake interview is arranged for a client. During the intake session an attempt is made by the staff to define the problem and to answer any of the client's questions concerning clinic functioning. Following this initial interview, and depending on the nature of the problem, a client is placed in one of several of the clinic's basic services: inpatient, outpatient, day treatment, after care, or alcoholism and drug treatment.

In addition, the clinic provides a 24-hour answering service with staff members on stand-by in order to provide a crisis intervention service. This service is focused toward the individual whose problem is such that treatment or intervention is needed immediately. An example would be the potential client who attempts suicide. The program also provides a consultation-education service. The purpose of this service is to prevent mental illness as opposed to treating an existing emotional difficulty. An example of the consultation-education service would be the mental health worker who gives a talk in the schools on drug awareness.

Since the Coastal Mental Health Program began its one-day-a-week operation in Hancock County in late May of this year, over one hundred residents have been served. Included in these services have been the operation of a two week day camp for retarded children, consultation to public and parochial school systems, and the development of a pastoral counseling seminar for ministers and priests. Future plans include the continuation

NEW GIFT shop in Bay St. Louis-Betty Quinn Drury arranges gifts in her shop, the Bay Window which will open Friday. The shop, located in the Colonial Plaza Building (next to Gulf National Bank) on Highway 90, will offer specially selected gifts for adults and children between the ages of 1-6. Hours will be weekdays 10:30 a.m.-4:30 p.m., Saturday - 10 p.m.; and closed every Thursday.

CHRISTMAS OFFERED
FARM BUREAU MEMBERS.

A repeat of an earlier announcement because the fruit will be good and the prices right on a farmer-to-farmer basis. For Thanksgiving, red or golden Delicious apples will be shipped from Illinois for distribution around November 22-23 at \$5 per bushel, 10 to 15 apples per bushel. A real bargain. For Christmas, Florida naval oranges or ruby red grapefruit, arriving about December 15 direct from the groves for \$5.50 per four-fifths bushel carton. A repeat of a good opportunity for Christmas fruit. Order through your county Farm Bureau.

Annunciation School News

The first regular PTA meeting was held Sept. 15 with a large number of parents attending. The meeting was conducted by Bobby Bilbo, vice-president. Father Pierre Hisey opened the meeting with a prayer.

New parents were asked to introduce themselves. Sister Joan Lorraine, principal, introduced new teachers.

Sister Joan Lorraine explained the school rules and also the requirements for the school uniform. She gave a report on the cafeteria which is now paying all its own salaries and bills. The school is on the breakfast program again this year, as well as reduced or free lunches for eligible students.

Refreshments were served by the eighth grade parents. The

next meeting will be held October 20, at 7:30 P.M.

The football team has been hard at practice with Mr. Weasley Haas as coach. Their first game was scheduled last Thursday at St. Stanislaus.

The Annunciation football team traveled to St. Stanislaus for a game on Thursday, September 23 and lost by a score of 18 to 6.

The Annunciation Parish will have a covered dish dinner in honor of Father Canisius Hayes on Thursday, September 30, at 7:00 P.M. in the school gym. The entire parish is invited and each family is asked to bring a dish of food. Father Hayes, who has been Pastor of Annunciation for six years, is leaving to become Pastor of St. Ann's of Clermont Harbor.

ORDINANCE

There came on to be heard at the recessed meeting of the Commission Council on the fourth Monday of September, 1971, the matter of adopting the Southern Standard Housing Code, and

WHEREAS, THERE HAS BEEN IN PUBLICATION A Southern Standard Housing Code for a considerable length of time, and

WHEREAS, It is the desire of the City of Bay St. Louis to adopt said Southern Standard Housing Code for the improvement and implementation of the Building Code of the City of Bay St. Louis, and

WHEREAS, It is the opinion of the Commission Council that the said Southern Standard Housing Code will be in the best interest of the City of Bay St. Louis; therefore, be it

RESOLVED, that Section 13-1 of the Code of Ordinances of the City of Bay St. Louis, Mississippi, is hereby amended to read as follows:

SECTION 13-1 CODE ADOPTED (a) The Southern Standard Housing Code of 1969 Edition, three copies of which are on file in the Office of the City Clerk, is hereby adopted as the Housing Code of the City of Bay St. Louis, subject to the provisions of amendments hereinafter set forth.

(b) Subsequent editions to and revisions of such Housing Code may be adopted from time to time by simple order of the Mayor and Board of Commissioners entered on the Minutes of said City.

After having been reduced to writing, the foregoing Ordinance was read and considered; whereupon, Commissioner Andre Arceneaux moved adoption, and after being seconded by Commissioner Wm. M. Frisbie, the following vote was had:

Those voting yea: Warren Carver, Mayor

Wm. M. Frisbie, Commissioner Andre Arceneaux, Commissioner

Those voting nay: None

WHEREUPON, Mayor Warren Carver declared the foregoing Ordinance adopted by the Commission Council of the City of Bay St. Louis, Mississippi, by a unanimous vote this 27th day of September, A.D. 1971.

**Directors
Hold Meeting**

The annual vocation direc-
tors' meeting of the Divine
Word Missionaries in the United
States was recently hosted by
Divine Word Seminary of St.
Augustine. The three day
meeting was attended by 11
vocation directors representing
all sections of the country. It
gave the vocation directors the
opportunity to become
acquainted first-hand with the
Novitiate training program at
Bay St. Louis.

Topics at the meeting in-
cluded: individual regional
reports, literature, mailings,
advertising, seminary "live-in"
programs, the annual seminary
week at the various Divine
Word Seminaries, the Divine
Word Vocation Club, the use of
TV in recruiting. WLOX-TV
representatives, Jim Allen and
Steve Saucier, presented in-
sights in this field.

A panel discussion on helpful
approaches toward recruiting
young black vocations was
given to the men. Members of
the panel included: Rev. Terry
Steib, S.V.D., faculty member
of St. Stanislaus; Rev. Francis
Wade, S.V.D., a retired
member of the Divine Word
Seminary community, Bay St.
Louis, and also a member of the
first class at Divine Word
Seminary; Rev. George Ards,
S.V.D., pastor of St. Paul's
Catholic Church, Baton Rouge,
La.; and the Rev. Francis
Theriot, S.V.D., former
vocation director of the southern
province and presently pastor
of St. Augustine's parish, New
Orleans, La. Presiding over the
meetings was Rev. Fred
Rudolph, S.V.D., National
Director, Divine Word
Missionaries. Also attending
were: Rev. Elmer Elsbend,
S.V.D., and Bro. William Blake,
S.V.D., Divine Word College,
Epworth, Iowa; Bro. Tony
Clark, S.V.D., Divine Word
Seminary, East Troy,
Wisconsin; Rev. Robert Jones,
S.V.D., Divine Word Seminary,
Perryburg, Ohio; Rev. Elmer
Nadicksbernd, S.V.D., and
Rev. Walter Ostrowski, S.V.D.,
Divine Word Seminary, Girard,
Pa.; Rev. Walter Miller, S.V.D.,
and Rev. Anthony Hemphill,
S.V.D., Divine Word Seminary,
Bordertown, New Jersey; Rev.
Charles Sinatra, S.V.D., Divine
Word Seminary, Riverside,
Cal.; and Rev. William Kelley,
S.V.D., Divine Word Seminary,
Bay St. Louis, Mississippi.

The next meeting will be held
at 2 p.m., Thursday, October 21,
at the Agriculture Center.

**interpine's complete utilization practices
can result in better profits on your timber**

interpine has found many landowners selling quality timber for \$4 to \$5
per cord. They could be earning much more.

At interpine, we buy many sizes of timber for our treating plant and saw-
mill. Even small poles and piling, not just the larger sizes. Here's an example:

Recently interpine and its producers went back over a 400-acre
tract on which all the poles had just been cut by one of our com-
petitors. When this operation by our competitor was complete,
interpine went in. We cut only small-pole timber. The owner
realized \$4000 in additional profits—profits he hadn't counted on
from our operations. That's an extra profit of \$10 per acre.

Yes, we mean profits! We cut approximately 500 cords, from
which the landowner realized \$6000. If it had not been for our
operations this production would have gone into pulpwood at \$4
per cord. The difference, \$4000, was added profit to the landowner.

For best profits, of course, you should contact interpine before cutting
any timber from your land.

But, if you have any percentage of timber suitable for small poles or piling,
or large poles or sawlogs, we'll be happy to look at your timberland, cruise it
and make you an offer. Chances are we can offer you a better price, even up
to \$12.50 per cord for quality products.

**interpine's complete utilization practices
can result in better profits on your timber**

interpine has found many landowners selling quality timber for \$4 to \$5
per cord. They could be earning much more.

At interpine, we buy many sizes of timber for our treating plant and saw-
mill. Even small poles and piling, not just the larger sizes. Here's an example:

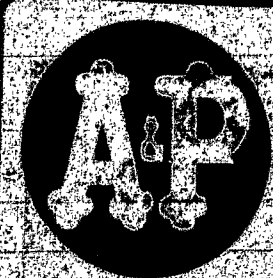

Recently interpine and its producers went back over a 400-acre
tract on which all the poles had just been cut by one of our com-
petitors. When this operation by our competitor was complete,
interpine went in. We cut only small-pole timber. The owner
realized \$4000 in additional profits—profits he hadn't counted on
from our operations. That's an extra profit of \$10 per acre.

Mrs. Duke Wins Plaque

The Lakeside Garden Club held its September 23rd meeting at Sh. Acres Restaurant on Highway 90 with Mrs. C. F. Schwaik, Jr. acting as hostess and Mrs. John Bordage and Mrs. Frank Klein, Jr. serving as co-hostesses. Meeting attendance was very gratifying and Mrs. Ethel Gullie, guest of New Orleans was introduced to the group.

The Garden Plaque Committee announced that Mrs. H. W. Duke's yard on Forest St. Clearmont Harbor was awarded the club's plaque for September.

Mrs. Frank J. Corcoran gave a short talk on the Chinese Poinciana tree and showed a year old specimen which she raised from seeds sent her last September by Dr. Neil G. Odenwald of Baton Rouge, La. The ladies were asked to support the "Older American Area-wide Model Program" presently being setup in the county many of whom were very interested and already familiar with the different phases of the program.

Plants brought to the meeting were judged with the following results: cultivated - Mrs. H. W. Duke, dried - Mrs. A. M. Thomas, horticultural

specimen - tie between Mrs. J. C. Goodloe and Mrs. W. A. Richardson, miniature - Mrs. J. C. Goodloe, potted - Mrs. J. E. Servat and wild - Mrs. W. R. Schaefer, Mrs. H. C. Baxter won the door prize.

Mr. and Mrs. Leroy Wilkerson of Mississippi City announce the birth of their fourth child and third girl, Casey Jude, September 22, at Gulfport Memorial Hospital. She weighed eight pounds, seven ounces.

Mrs. Wilkerson is the former Brenda Favre, daughter of Mr. and Mrs. Harold J. Favre of Bay St. Louis. Mr. and Mrs. Leroy Wilkerson of Richmond, Va. are the paternal grandparents.

Mr. and Mrs. James Fayard announce the arrival of their first child, a boy, Del Douglas, at 3:05 p.m. September 24, at Hancock General Hospital. He weighed five pounds.

Mrs. Fayard, the former Dana Sellar, is the daughter of Mrs. Elzie Sellar of Bay St. Louis and the late Elder Sellar. Mr. and Mrs. Frank Fayard, also of this city, are the paternal grandparents.

Mr. and Mrs. Raymond Joseph Ellis announce the birth of a girl, Tammy Rene, September 22, at Hancock General Hospital. She weighed seven pounds, four ounces.

Policemen Finish Course

Mayor Warren Carver presented certificates of completion to 16 members of the Bay St. Louis Police department Tuesday night, in ceremonies attended by City Commissioners William Frisbie and Andre Arceneaux.

The 16 men and one female member of the force, Patrolman Dolores Favre, had completed an eight-week course in Basic Law under the department sponsored Law Enforcement Officers Training School. Police Chief Robert Goodsell arranged for the course which was conducted by a former member of the Jefferson parish sheriff's department.

The ceremony was held at the Knights of Columbus Hall and was followed by a dinner.

Harris-Wilson Vows Exchanged

Zion Hill Baptist Church, Camden, Arkansas was the setting for the recent marriage of Patricia Ann Wilson, daughter of Mr. and Mrs. Jasper Wilson, Sr. and Mr. Bennie Edmund Harris, III, son of Mrs. Henrietta Meggs, Waveland, Miss., and Mr. Bennie Harris, Jr., Chicago, Illinois. Candles, yellow and white flowers adorned the altar for the 12:00 ceremony.

The bride, given in marriage by her father, wore a formal gown of white silk organza and beaded white Alencon lace in the empire, a-line styling with a Victorian neckline. The empire bodice was fashioned with applique lace and the traditional long sleeves were trimmed with the lace. A detachable train with lace appliques completed the gown's design. The bride's full length veil of illusion was held in place by a headpiece of pearls and lace. Her bouquet was a combination of white carnations and roses.

Miss Audrey Wilson was her sister's maid-of-honor and Mrs. Willie Jean Jones, Memphis, Tenn., was the matron-of-honor. Other bridesmaids were: Miss Rosemary Hill, Camden, Ark., Miss Deborah Browning, Flint, Mich., Miss Reba Harris, sister of the groom, Mrs. Rosezel Smith, Chicago, Ill., and Mrs. Cora Brown, Grand Bluff, La. The attendants wore formal gowns of white-organza while the matron-of-honor wore a gown of white-organza. All dresses were of the empire, easy-gathering styling. Matching organza hats were chosen to complete the ensembles. Each carried two long stemmed daisies.

Flower girls were Little Misses Cecelia Denise Godbolt and Karen Yvonne Harris. They were attired in yellow and white dresses similar in style to the attendants', with green sashes and matching headpieces completing their ensembles. Ringbearer was Master Andre Maddison.

Mr. Earl Cole, New Orleans, La., served as best man and the groomsmen were Messrs. Jasper Wilson, Jr., brother of the bride, Harry Favre, Bay St. Louis, Miss., John Dixon, Baltimore, Maryland, Wade Bonnell, Nashville, Tenn., Preston Hayes White, Baton Rouge, La., and Larry Cain, New Orleans.

A reception at Lincoln Center followed the ceremony.

Bridal Shower Given Sunday

Miss Shelley Lemmle, who became the bride of Roger Dedaux September 13 in Baton Rouge, was honored with a bridal shower Sunday-afternoon in Our Lady of the Gulf Parish Hall hosted by Mrs. James Mayfield, Mrs. Floyd Holland, Mrs. Howard Carver, Jr. and Miss Pam Dedaux.

The refreshment table was centered with an arrangement of red roses.

Presiding at the cake table were Miss Alice Zengaring and Miss Pam Dedaux. Mrs.

Holland and Mrs. Carver were at the punch bowl.

The honoree was presented a corsage of pink rose buds.

Approximately 35 guests attended. Coming from out of town for the occasion were the bride's grandmother, Mrs. Lucy Lemmle and her aunts Mrs. Rose Christine and Mrs. Joseph McCaleb, all of Biloxi, and her aunt, Mrs. Lois Sones and daughter Milla of Baton Rouge, La.

Tea Given For Candy Strippers

Candy Strippers, volunteer workers at Hancock General Hospital, were honored Saturday with an Awards Tea hosted by the Women's Auxiliary.

Mrs. C.A. Evans, auxiliary president, commended the 22 teenage girls on their contribution to the hospital and people of the community by their hours of volunteer work. As well as certificates, special pins went to Denise Favre for 800 hours, Martha East for 400, and Stephanie East and Peggy Fewell each received 300-hour pins.

Hospital administrator H.J. Blackledge complimented the youthful volunteers for their work and commended Mrs. W. Merlin, advisor to the Candy Strippers.

Area Students Named Merit Semifinalists

Three students attending schools in Hancock County have been named National Merit Semifinalists. Those honored are Amy Hartnett, Bay Senior

AMY HARTNETT

BRUCE LUCK

VICTOR FRACKIEWICZ

High School, Bruce Luck, Coast Episcopal High School, and Victor Frackiewicz, St. Stanislaus High School. The approximately 16,000 Semifinalists appointed today are among the nation's most intellectually talented high school seniors. They will compete for some 3,000 Merit Scholarships to be awarded in 1972.

The Semifinalists were the highest scorers in their states on the National Merit Scholarship Qualifying Test (NMQST), which was given last February to more than 655,000 students in about 16,000 schools nationwide. They constitute less than one percent of the graduating secondary school seniors in the United States.

The Semifinalists are representative of the country's most intellectually able young people, according to Edward G. Smith, president of the National Merit Scholarship Corporation (NMSC). "From this group will come many future leaders in business, industry, and the professions," he said.

"These students bring honor not only to themselves, but also to their families, their teachers, and their communities. The future success of these young people will, however, depend upon their ability to become productive at the high intellectual levels that they are capable of attaining."

Semifinalists must advance to Finalist standing to be considered for the Merit Scholarships to be awarded next spring. Semifinalists become Finalists by receiving the endorsement of their schools, substantiating their high NMQST performance on a second examination, and providing information about their achievements and interests.

High school grades, accomplishments, leadership activities, and extracurricular activities of the Finalists are evaluated, along with test scores, in selecting Merit Scholarship winners.

H.O.P.E. Names County Chairman

George McLean, the President of HOPE, has announced the appointment of A.G. Woodside, General Electric Co., Bay St. Louis, Miss., as the County Chairman in Hancock County. HOPE

(Highways Our People's Emergency) is a state-wide organization of business, professional and political leaders formed for the purpose of encouraging state government officials to perfect and carry out a broad highway program for Mississippi.

Better highways would broaden industrial and commercial opportunities, increase tourism and help lower Mississippi's high accident rate.

Mr. Woodside will join with the chairmen of the other 41 Mississippi counties in promoting this program over the entire state.

WAVELAND MAYOR Garfield Ladner cuts a ribbon officially opening Hancock Supply Co. on Highway 90. He is flanked by business owners A.C. Jones, left, August Rauxet and E.K. MacDowell. The only wholesale plumbing supply company in Hancock County, the new concern is housed in a yellow, all-steel building built by Rauxet Construction Co. The official opening ceremony was held Friday.

School District Honors Employee

Mrs. Mabel Allen of Sycamore St. in Bay St. Louis, was recently honored by the administrator and faculty of the Bay-Waveland Municipal School District on the occasion of her retirement from the system.

In a ceremony attended by high school faculty in the Senior High School board room, superintendent J.D. McCullough presented Mrs. Allen a gold watch in appreciation for her 36 years of service at the school. "A faithful, dependable

employee for all those years" was the way McCullough described Mrs. Allen, who said she had never worked anywhere other than for the school system.

Expressing her appreciation for the gift, Mrs. Allen stated, "I'm most grateful for the fact that in all those years I never had a cross word with any of the teachers, the administrators or any of the students. Everyone has always been good to me. It has been a truly good job."

IN RECOGNITION OF "36 years of faithful service," Mrs. Mabel Allen is presented a gold watch by J.D. McCullough, superintendent of the Municipal Separate School District in a recent ceremony on the occasion of Mrs. Allen's retirement.

Echoes

Sister Mary Andre, St. Rose de Lima School, was called to Marshfield, Wisconsin, by the death of her father Matthew Schuster.

Funeral services for Mr. Schuster, who died Sunday morning, were held Wednesday at a requiem Mass in Marshfield with his son Rev. George Schuster officiating.

Robert Bourgeois celebrated his first birthday with a party Sunday afternoon at the home of his parents Mr. and Mrs. Lionel Bourgeois on Pine Ridge Road, Waveland.

Celebrating with him were his brother Tom, Mrs. Irene Walters and son Ricky, Mrs. Loula Bourgeois and children Barbara and Eddie, Mrs. Van Dunn and son Joey, Thomas and Wayne O'Dom, Alan Fine and Vic Gustafson.

Mrs. Larry Morse, TOP president, is extending an invitation to anyone interested in joining the group and who want information to contact Mrs. Robert Taconi at 467-6429.

Most of the over 900 Mississippi Power Company employees are native Mississippians - born, reared and educated right here at home. We think this is helpful. Our people know and understand the needs of their fellow citizens; they have a great personal stake in Mississippi and a deep concern for the progress of its people.

Mississippi Power Company employees try hard to be good friends and good citizens. You find them very much involved with the civic, cultural and spiritual life of their communities.

Mississippi Power Company creates many jobs requiring technical and professional skills. By providing these jobs, we are able to keep more of our young people here at home rather than lose their talents and capabilities to other states.

Rocks Suffer Second Defeat

ROBERT FLORIE powers his way across the goal line in the 4th quarter for a Stanislaus touchdown. However, the Rock-a-chaws lost to E.D. White, 41-24.

(Photo by Michael Flynn)

St. Stanislaus suffered their second loss of the season at the hands of the E.D. White Cardinals from Thibodaux, La. last Friday night at Rock-a-chaw Stadium.

The only score in the first quarter came late in the period when Cardinal fullback, Laurel Becnel powered his way across the goal line from the Rock-a-chaw two yard line. The point after was good.

The Rocks opened the second period with a quick ten-yard pass from Worrel to spike and Randy Foreman who took the ball in for six. Mike Elliott kicked the point after, tying the ball game. The Cardinals were

Red Raiders

Now 0-3

Saturday, September 25, the Christ Episcopal Red Raiders lost to the St. Paul's Saints of Mobile by a score of 40-0. The Raiders played a rough game against a larger and older team.

It was the team's first night game, played at a Timmer Field in suburban Mobile. They were accompanied by the cheerleaders and the pep squad.

Next Saturday at 10:00 a.m. the Raiders travel to Gulfport for their fourth game against Gulf Coast Military Academy.

next to score on a 37-yard run by quarterback Bob Boudreaux. The point after attempt failed, making the score 13-7 in favor of the Cards.

A four yard touchdown play by James Moore climaxed a 32 yard drive for the Rocks. Elliott again converted, putting the Rocks ahead, 14-13. The half ended 19-14 after a 19 yard Boudreaux to Callolet pass play was good for six with only 19 seconds remaining in the half.

The Cardinals began to break away from the Rocks in the second half. They started the second half scoring with a 14 yard run by Chris Ledet. A two point conversion put them ahead of the Rocks, 27-14. Stanislaus came back with a 60 yard drive that ended in a 3-yard touchdown run by Robert Florie. The conversion attempt failed.

The Cardinals widened the gap by scoring on a 23 yard run by Kevin Ledet. A two point conversion by Becnel made the score 35-20.

With 5:37 remaining in the game, Rock-a-chaw tackle, Sonny Depree picked up a Cardinal fumble and raced 42 yards for a touchdown. David Worrel added two points for the conversion on a keeper.

The final score of the game came after a fifty yard Cardinal drive when Boudreaux took the ball across the goal line on a 8 yard keeper.

Tigers Crush North Central

The Tigers added another win to their record (2-1) by defeating county rival, Hancock North Central 34-8 last Friday night at HNC.

Jimmy Perreault made the first score of the game as a three yard run for the Tigers early in the first quarter. The point after attempt failed.

A 37 yard pass play from High quarterback, Gary, to the line, the second touchdown with 5:55 remaining in the first period. Again the point after failed.

Little Rocks Win Against Annunciation

The St. Stanislaus 7th and 8th grade team defeated the Annunciation team from Kin, Mississippi, in a football game Thursday night at St. Stanislaus, 19-0. Marty Lyons ran five yards for a touchdown in the first quarter, and he also intercepted a pass in the fourth quarter. Tom Barrett plunged three yards on a quarterback sneak for a second quarter touchdown. Mike Lefevre ran 40 yards for a score in the final period.

Mike Stern made the Annunciation touchdown on a 30 yard pass.

Leading the victorious Rock-a-chaws were John Woolf, Art Scasidi, Mike Price, Bob Blouin, Tad Black and Mike Duplantis.

Entrance Fees

Entrance fees for the fishing rodeo planned by the Jaycees has been set at \$0.50 for children - \$1.50 for adults and \$1.00 extra per boat.

First and second prizes will be awarded for the two largest fish in each category. Categories are red fish, speckled trout, flounder, croaker, mullet and black bass. King Fisherman of the rodeo will be awarded to the contestant who brings in the most pounds of fish.

Thibodaux has been scheduled October 9, 9 and 10 at the rodeo place in Bay St. Louis. Anyone wishing further information should call Charlie Parker at 487-6042.

Another Blaise to McFarland pass in the second quarter gave the Tigers their third TD. Blaise made the two point conversion of a keeper, making the score 20-0 at the half.

Eric Lymel added the next Bay High touchdown late in the third period on a nine yard run.

A Fred Bilbo pass to Lymel was good for two points on a conversion attempt. Mike Peterson made the last Tiger touchdown in the fourth quarter on a three yard run. The two point conversion came on a Bilbo to Fabian Collins pass.

With minutes left in the final period, HNC quarterback Mitchell Havard passed 18 yards to O'Neill Cuevas for the only Hawk touchdown of the evening. Bruce Staten made a successful two point conversion. A second late effort drive by the Hawks ended at the Tiger four yard line, ending the game.

KANTCHA KETCHUM

By L.S. (Doc) Elliott

Fishing and hunting have been on a par for the past week or two. The water is still bad in most streams but should clear in the next week or so. Salt water fishing has been mediocre as some small speckles are being caught here and there, with some red fish, flounders and large croakers thrown in. Salt water fish are still hitting on the Highway bridge and along the seawall to some extent.

As far as hunting goes, dove hunting hasn't been too hot either. There are always a few who get the limit but they are in the minority. Most hunters have been getting from 4 to 8 if they are lucky. Doves right now are rather scarce but should improve as the weather gets colder. Lack of feeding fields is another factor. According to most hunters it has been too hot to hunt doves. Eight-five degrees Friday and Saturday.

There is no open season on alligators. A 1962 statutory law prohibits the hunting, catching and killing of alligators in all lands and waters in Mississippi, "frogs and turtles." It is unlawful for any person to hunt, catch or kill any of these animals.

SPORTSMAN OF THE WEEK—Brother Aubert has been a real sportsman for years. He hunts and fishes, flounders and soft crabs. Ready to go on every occasion. He is stationed at St. Stanislaus. Dove hunting is one of his favorite sports, we think.

Another fishing couple are Mr. and Mrs. James J. Hada Jr., who go on every occasion. James is retired and is quite a fisherman. He is retired from the Avondale shipyard at Marrero, La.

Mr. and Mrs. E. (Shorty) Reese have a camp in Waveland where they spend much of their time. Fishing takes up most of their time.

Have seen and killed some mighty big snakes around country roads. You must fish fast to get them. They are brown and black and only about 4 feet long.

Tags on fish, metal or plastic tags found on fish should be mailed to the State Game and Fish Commission with full particulars as to where and when fish are caught. The cooperation of fishermen in reporting tagged fish will aid in improving fishing.

The following are the resident

soil and minerals, its forests, waters and wildlife. Be a real sport. Follow it and protect our fish and game.

The Bay-Waveland Gun and Rod Club will have its next meeting on October 20, 1971, at the American Legion Home. Members of the club are a swell bunch of sportsmen, they fish, hunt and participate in other activities the year round. New members are always invited to join the club.

Contact Donald Caldwell, president, John D. Rutherford, Jr., Billy Braland, Whitney Carvin or any member for further information. Think you will be glad you did.

The season on both rabbits and squirrels opens on October 2nd. A lot of our hunters will be out after them. Shining rabbits is illegal. Remember get that hunting license before going. Game wardens are on the prowl.

Some hunters prefer hunting squirrels, some rabbits, others deer, and water fowl. There is room for all. But the average hunter gets what he can. Like me.

If you intend to go frogging, better go this week. Frogging quits with the first cold weather. They go into hibernation for the winter months. Have gotten quite a few the past few days.

Hard crabs are rather scarce, but you can always get enough for that gumbo. Caught quite a few the other day.

Soft shell crabbing has gone with the wind. We think it was the worst season on record. Have to wait till next summer, folks.

Shrimp are still scarce and hard to get even for bait. Old timers can't give a reason why they are not here. The influx of shrimpers haven't made their appearance along the seacoast down Cedar Point way which is a yearly tradition. What's wrong, Emile?

About time for the World Series and the appearance of bull croakers in the croaker hole at the mouth of Campbell's Bayou in Pearl River. These croakers average between 2 and 2 1/2 pounds. They are caught mostly on dead bait and on Shad Rigs with a small piece of shrimp. Two at a time are caught frequently. A mighty good eating fish. If you plan a trip for these fish a boat can be secured from La France's Camp at Anseley. Bait is usually available. Ask Pas La France. He knows.

Now is the time to go to under-water baits for bass and speckles. They are caught mostly by trolling up Jourdan River, Pearl River and tributaries. Speckles go for the Shad Rig and Smokey Shrimp, when casting. Bass will hit the black knat with spinner and rock (light or heavy) and yellow skirt. Trolling is a lot of fun when done right.

Got a bad cold. Get rid of it with the right spirits.

SOME CATCH—Nicky Raulet, Pete Garcia and Mickey Demoran made a nice catch of Bonita, Spanish Mackerel and flounders on a trip to Chandelier Island recently. It was rough going but it paid off, said the young men.

Yacht Club Holds Weekend Races

Bay-Waveland Yacht Club was the scene of much activity last weekend when six Flying Scot and 17 Sunfish races were sailed.

Results of the Flying Scots were: A-Class - Mimi Eagan, first, followed by Toppee Stieffel and Cindy Stieffel. Expert Class - Skip Onstad, first, followed by Charlie Stieffel, Bill Flanders and Marc Eagan.

Expert Class - Don Chamberlain, first, followed by Woody Santa Cruz, Marc Eagan and John Christensen.

An interesting change was the single handed match race in Scoops with Woody Stieffel winning over Bill Reeves.

Stanislaus Hosts Tourney

On Saturday, September 18th at 11:00 a.m., an invitational tennis tournament was held at St. Stanislaus tennis courts.

The schools participating were St. Stanislaus, Bay High, Pass High, and Coast Episcopal High.

The tournament was held in round-robin fashion. Winners were Jim Biland, St. Stanislaus.

4-0; and Donna Byrne, Coast Episcopal High, 2-0. Others who entered the tourney were Susan Lang from Pass High; Diana Kidd, Mielymel, Allen Mettayer, and Cindy Torgerson, Bay High; Eddie Melancon, St. Stanislaus; and Paul Matthews, Coast Episcopal High.

CONSO REGATTA Bay-Waveland Yacht Club sponsored Ellen Eagan, Mary Kergosien and Chris Stieffel placed third in the Alfonso Junior-Regatta hosted by Gulfport Yacht Club September 28 and 29.

The Regatta was won by Biloxi Yacht Club.

Girl Scouts Interested In Hobby Sharing

Leaders and assistant leaders for Girl Scouts and people who have interesting hobbies in crafts to share with the girls are asked to volunteer their time.

Training is conducted to acquaint interested persons with the Girl Scout program, workshops to aid in planning meetings and adult leadership meetings to inform leaders of what they should know throughout the Scout year.

Anyone who wants to help is asked to contact Mrs. E. F. Spratley, Neighborhood chairman at 467-4188.

ATTENDING CLINIC

CAUGHT IN THE ACT of demonstrating a judo hold, Pat Ryan (in midair) and Tom Tebbe are opening classes in karate and judo, respectively, beginning this week at St. Joseph's gym. The classes are open to the public, any age and will be held afternoons and evenings.

Judo, Karate Lessons Available

Lessons in karate and judo, ancient Oriental arts of self-defense are now available to area residents.

Two young men, one a native of Bay St. Louis and the other a newly-arrived Divine Word seminarian, will conduct classes in each art at St. Joseph's Academy gym.

Pat Ryan, of Bay St. Louis, is a 20-year old student at Jefferson Davis Junior College and learned karate working for the FBI in Washington. He was an instructor there in 1969, prior to his coming to Bay St. Louis, and has obtained a black belt second degree from the FBI.

Tom Tebbe is a 22-year old seminarian and a native of St. Louis, Mo. He was graduated with a Bachelor of Science degree in Sociology and came to the Bay from the Divine Word Seminary in Ohio. Tom began judo training while in college and following graduation continued studying in Chicago under Wally Barber. He is a third degree brown belt, or sankyu.

Classes are open to the

general public and both instructors advise that there is no limit on age or sex for participation.

"Anyone of any age, if he or she is in reasonably good health, can study either judo or karate," Tebbe said during a public demonstration both men held Saturday at the St. Joseph's gym.

They also stressed during the demonstration that judo and karate are considered arts which require self-discipline and a complete respect for the body and mind. Neither form is meant to be used for aggressive actions, but rather performed as an art with a peaceful attitude.

Enrollments for each course will be held this week and classes will be a syllable as many week-day afternoons and evenings as necessary. Cost per course is \$5 a month.

Although mats are not required for karate, they are necessary for judo and Tebbe has not been able to find any for

his classes. Mattresses without springs can be used but they are not satisfactory, he said. The seminary does not have any nor do any of the local schools.

Tebbe said he would be grateful for any help or information concerning acquiring mats.

For this and course information, Tebbe can be reached at the seminary at 467-7291, and Pat Ryan at 467-4412.

One nice advantage of a Lovin' Phone Call is you don't have to lick the stamp.

Dialing a long distance Lovin' Phone Call direct is faster and easier than writing a letter—plus there's no bitter aftertaste. And even if you've forgotten the number of that certain someone, no problem.

Just dial "1", then the area code (if different from your own), then 555-1212. That connects you with the Directory Assistance Operator in the city you're calling. Just tell her who you'd like to talk with, and she'll give you the number in a jiffy.

And remember, rates are low every night and all weekend long. So why not address yourself to a Lovin' Phone Call tonight? What else that costs so little puts you in touch so fast?
